

CS410 Weekly Report

Team Copper AI²

Performance Period: Saturday 10/11 - Friday 10/17

Summary of Group Accomplishments:

- This week the following tasks were completed:
 - Final changes were made to the feasibility presentation, ready for the formal presentation.
 - The team met and prepared for the formal presentation.

Individual Contributions/Accomplishments: (to be filled out by each individual)

This week was different because there was only the formal feasibility presentation. As such, all the team members had common tasks, that being finalizing the slides for the presentation, and of course presenting during the normal class time.

Key Objectives for Coming Week (top level prototype development objectives)

- Formally finish the feasibility presentation.
- Start organizing and dividing tasks via ClickUp.
 - Integrate ClickUp into the workflow.
- Finish up the requirements for Website Update 2.

Issues/Concerns:

- None
